§ 842.601 Purpose.

This subpart explains the survivor annuity elections available under FERS for retirees, and retiring employees and Members, and the actions that they must take to provide these survivor annuities.

§ 842.602 Definitions.

In this subpart—

Current spouse means a living person who is married to the employee, Member, or retiree at the time of the employee's, Member's, or retiree's death.

Current spouse annuity means a recurring benefit under FERS that is payable (after the employee's, Member's or retiree's death) to a current spouse who meets the requirements of § 843.303 of this chapter.

Deposit means a deposit required to provide a survivor benefit. *Deposit*, as used in this subpart, does not include a service credit deposit or redeposit.

FERS means chapter 84 of title 5, United States Code.

First regular monthly payment means the first annuity check payable on a recurring basis (other than an estimated payment or an adjustment check) after OPM has initially adjudicated the regular rate of annuity payable under FERS and has paid the annuity accrued since the time of retirement. The *first regular monthly payment* is generally preceded by estimated payments before the claim can be adjudicated and by an adjustment check (including the difference between the estimated rate and the initially adjudicated rate).

Former spouse means a living person who was married for at least 9 months to an employee, Member, or retiree who performed at least 18 months of creditable service under FERS. The "former spouse's" marriage to the employee must have been terminated prior to the death of the employee, Member, or retiree.

Former spouse annuity means a recurring benefit under FERS that is payable to a former spouse after the employee's, Member's, or retiree's death.

Fully reduced annuity means the recurring payments under FERS received by a retiree who has elected the maximum reduction in his or her annuity to provide a current spouse annuity
